

# Canyon Country!

1. The Pig family were in America on their way to Hollywood. "I think we might be a bit lost. I'll stop and ask for directions," said Daddy Pig.

2. "Hello, are we in Hollywood?" asked Daddy Pig. "No! This is the desert and it goes on for miles and miles and miles!" said Mr Buffalo.

3. "Look, George! Pretty seashells!" gasped Peppa. "A very long time ago, this desert used to be the sea," explained Mr Buffalo.

At the information kiosk...

4. "Hello, Miss Rabbit," said Peppa. "Hey, welcome to Canyon Country! Would you like a tour of the canyon?" asked Miss Rabbit.

5. "Yes, please," giggled Peppa. The helicopter took off and Miss Rabbit showed them around the canyon. "Look! An eagle!" said Mummy Pig.

6. "The next part of the tour is by boat. Just climb down the ladder!" said Miss Rabbit. "I'm not a fan of heights," said Daddy Pig, nervously.

9. "Look! It's Miss Rabbit again!" said Peppa. "Welcome to the canyon caves! Would you like a tour?" asked Miss Rabbit. "Yes, please!" said Peppa.

10. "A long time ago, people lived in caves. They drew pictures of animals that lived here," said Miss Rabbit. "We saw an eagle earlier!" said Peppa.

7. The boat zoomed and whizzed down the river. "Wheeee! It's like a funfair ride!" said Peppa. "Argh!" cried Mummy and Daddy Pig.

8. "Well, I'm glad that's over with!" said Daddy Pig, as the boat came to a stop. "Me too! Let's explore this canyon cave!" said Mummy Pig.

11. "Thank you for the tour of Canyon Country, Miss Rabbit!" said Daddy Pig. "Where are you off to now?" asked Miss Rabbit. "We're off to Hollywood to star in a movie with Mr Potato and Hash Brown!" said Peppa. "Wow! That's amazing! Safe travels to Hollywood!" said Miss Rabbit.

Who flew the helicopter?

Circle the correct answer.

Miss Rabbit

Daddy Pig

George
